HQSYN16 - Task #4151

Task # 3681 (New): RA4b - Dedicated signal modification

Task # 4150 (Closed): Statistical parametric speech synthesis (SPS)

Neural network based statistical parametric speech synthesis

19.01.2017 08:41 - Matoušek Jindřich

Status:	Closed	**Start date:**	19.01.2017
Priority:	Normal	**Due date:**	31.12.2018
Assignee:	Matoušek Jindřich	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:	RA4: Automatic error prediction and signal modification		

Description

Parent task for using neural network in statistical parametric speech synthesis.

Works related to this topic will be inputted as subtasks of this task.
